Edit This Cookie Chrome Extension

Click on:

<https://chrome.google.com/webstore/detail/editthiscookie/fngmhnnpilhplaeedifhccceomclgfbg?hl=en>

Add the extension to Chrome

Login to the YouTube account **AND** select the channel you want to work with in Chrome.

- 1) Click on the extension icon (1)
- 2) Click on the Export icon (2)

You will get a popup message telling you that the cookies were copied to your clipboard.

- 3) Simply copy (control-V) in the **YouTube Cookies** section of the software:

IMPORTANT: Make sure to update the cookies before each run, including those of existing projects.

Hope this helps,
Nat Lafleur
